

# On the Loose

*Author Unknown*

## CHORUS:

G                      Em                      C                      D  
On the loose to climb a mountain, on the loose where I am free,  
G                      Em                      C                      D  
On the loose to live my life the way I think my life should be,  
                    C                      D  
For I only have a moment,  
                    G                      Em  
And a whole world left to see:  
                    C                      D                      G  
I'll be searching for tomorrow on the loose.

## VERSES:

Have you ever seen a sunset turn the sky completely red?  
Have you slept beneath the moon and stars, a pine bough for your head?  
Have you sat and talked with friends,  
though no words were ever said?  
Then you're like me and you've been on the loose.

(chorus)

There's a trail that I'll be hiking just to see where it might go,  
Many places yet to visit, many people yet to know.  
So I'm following my dreams,  
I will live and I will grow  
On the trail that's waiting out there on the loose.

(chorus)

So in search of love and laughter, I'll be travelling 'cross this land,  
Never sure of where I'm going, for I have so many plans.  
So any time you're ready,  
Come and join me take my hand,  
And together we'll find life out on the loose.

(chorus)
